Cell Phones for Soldiers hopes to turn old cell phones into more than 12 million minutes of prepaid calling cards for U.S. troops stationed overseas. To do so, Cell Phones for Soldiers expects to collect 50,000 cell phones each month through a network of more than 3,000 collection sites across the country. The phones are sent to ReCellular, which pays Cell Phones for Soldiers for each donated phone – enough to provide an hour of talk time to soldiers abroad. The goal of this project is for **EVERY SOLDIER** to be able to call **HOME!**
